

Office of Personnel Management

§ 301.203

when an individual has requested a decision and presented a written explanation, as described in § 300.705. The Associate Director for Career Entry or his or her designee will make the determination based on the written explanation provided by the individual. The burden of proof will be on the individual to show by a preponderance of the evidence that failure to register was neither knowing nor willful.

(b) OPM may consult with the Selective Service System in making determinations.

(c) The Associate Director for Career Entry or his or her designee will notify the individual and the agency in writing of the determination. The determination is final unless reconsidered at the discretion of the Associate Director. There is no further right to administrative review.

(d) The Director of OPM may reopen and reconsider a determination.

(e) The Director of OPM may, at his or her discretion, delegate to an executive agency the authority to make initial determinations. However, OPM may review any initial determination and make a final adjudication in any case. If a delegation is made under this paragraph, the notice in § 300.705(d)(1) will state that the individual may submit a written request that OPM review the agency's initial determination. The agency will forward to OPM copies of all documents relating to the individual's failure to register, including the individual's request for review and his explanation of his failure to register.

§ 300.707 Termination of employment.

A covered individual who is serving under an appointment made on or after November 8, 1985, and is not exempt from registration, will be terminated by his agency under the authority of the statute and these regulations if he has not registered as required, unless he registers or unless, if no longer eligible to register, OPM determines in response to his explanation that his failure to register was neither knowing nor willful.
